It's Baseball Time!

By Chris Otto, Board President

Welcome to the 2010 season of Challenger Little League Baseball! We have another year of organized baseball for youth with disabilities ahead of us and we can't wait to get started. Last year was our first year at the All Play field. We look forward to another year of games at this spectacular complex.

Now in my second year as President of the Board for Challenger Little League, I wish to personally thank each and every volunteer. Without our many volunteers, we would not be able to make this a safe and enjoyable experience for the youth. For more information regarding volunteer opportunities, please visit our "newly designed" website at www.challengerlittleleague.org. On our website you will find all the needed forms, contact information, as well as any rainout or game cancellation postings.

We are continually looking for new and updated photos of our teams. Feel free to share your photos from this upcoming season so that we may post them on our website for all families to enjoy. You may send your photos via email to admin@challengerlittleleague.org.

I would like to thank the corporate sponsors that have continued to be more than generous with their continued support again this year. Without these corporate donations, Challenger would not be the success it is today. Also, through the continued support from our families, community and volunteers, Challenger is able to provide local youth with disabilities the opportunity to play fun, organized baseball. Please take a little time to thank the many sponsors and volunteers who have helped make Challenger Little League a huge success. Feel free to contact us with any questions or comments at any time.

Let's Play Ball!

Coaches Corner

Equipment will be handed out and a short meeting will take place for coaches on **Sunday, April 18th at 4:00pm** in front of the concession stand at Keystone Little League field. It should only take about an hour - pizza and soda will be provided. If you are unable to attend or are in need of additional equipment, please contact Chris Otto at: cotto15390@aol.com, or by cell phone at: (402) 880-1429. Assistant coaches do not need to attend at this time.

Uniforms

Proper attire for every game is important. Players should wear tennis shoes (**no cleats allowed!**) and long white pants. Why are long pants important? For protection when sliding, uniformity and a team approach. After all, we are baseball teams! Many of us probably have an outgrown pair of white pants in the closet.

If you're wondering what to do with them, bring them to the Opening Ceremonies and give them to a Board Member. We'll share with someone who needs them.

It's Not Too Late!

Haven't registered to play ball yet? It's not too late. We still have some openings available. Please call or email Chris Otto for a registration. He can be reached at cotto15390@aol.com or by cell at (402)880-1429.

Rain Out Information

Rain out decisions will be made an hour and a half before a game, thus by 5:00pm on weekday games and 2:00pm on Sundays. Keystone's fields dry out very quickly and we can often play even if there is rain during the day. The weather is unpredictable, sometimes games cannot be called until game time due to fast moving weather. We do not make up rain outs except under exceptional circumstances. If there is not a message at that time, it means that all games will be played as scheduled. We will try our very best to stay on top of the weather. However, please keep in mind that weather does not always affect the entire Metro area.
